

Information Letter No.6 EuroDIG 2009

Dear EuroDIGGERS,

some of you already meet at the IGF in Sharm El Sheikh where the "**Message of Geneva**" was published, but for all who did not receive the message so far, it is available now on the web site www.eurodig.org. This document is not negotiated; further more it is a summary of the discussion held during all sessions. Additionally audio tracks are still available at the web site.

We also agreed on the date and place for **EuroDIG 2010**, because of the IGF-Meeting in September in Vilnius, we had to move to spring and found a date at the **29./30. April 2010, in Madrid**. We are sure our Spanish friends will be a wonderful host and hope to see you all there.

As we have to start immediately to organise EuroDIG 2010 we like to invite all interested EuroDIGGERS to participate at the **preparatory meeting at the 19. January 2010, 11:00 am CET in Madrid**.

Address: Sala de Profesores
